AMILO Li 2727

Step into the digital world

Issue February 2008

Version 3

Pages 3

The AMILO Li 2727 is an excellent notebook for home-office and everyday computing. With its 15.4-inch BrilliantView display it has the perfect size - not too small for watching pictures or movies and not too big and heavy so you can put it in your bag and take it with you to any place you go. Thanks to the integrated Wireless LAN you just need an access point and you can go online whenever or wherever you want.

Enjoy its tranquility in moments of silence while watching your family pictures. Otherwise delight its speed and brilliant graphic while watching your favorite movies.

The AMILO Li 2727 is a powerful all-rounder with best price/performance ratio.
